Multi-crore Scam in NDMC

31. SHRIMATI VEENA VERMA:
SHRI OP. KOHLI:
SHRI RAJUBHAI A. PARMAR:
SHRI SUSHILKUMAR SAMBHAJIRAO SHINDE:

Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether a multi-crore scam involving the tempering of electricity and water bills and misappropriation of payments from consumers amounting to several crores has been detected in New Delhi Municipal Council; and

(b) if so, the details of the findings of inquiries into the scam indicating the total amount found to have been involved and its modus operandi?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI MOHD. MAQBOOL DAR): (a) and (b) During the course of investigation conducted so far, it has come to light that NDMC had granted a contract for computerisation of electricity/ water bills to M/s. Software Consultants India Pvt. Ltd. in 1985. In 1992, this firm was also awarded the contract for collection of these bills from the consumers.

For this purpose 4 counters were opened at Parliament Annex, Kidwai Nagar, Palika Bhawan and Gole Market in 1992 and later on more centres were opened at Bengali Market, Kaka Nagar, Nirman Bhavan, Palika Kendra.

Since the billing and collection of electricity and water bills were assigned to the same agency, it used to collect full amount of the bills from the consumers, issue computerised receipts and simultaneously enter these receipts in the computers. After daily collections, some persons of the agency used to copy the entries of daily collection stored in the computer in a separate computer file and thereafter resort to random manipulations of the collection entries in this file by reducing the amount actually collected from different consumers. Thus, difference of the actual collection and the amount shown in the manipulated collection statement that was being submitted to the NDMC alongwith the cash collected on the next day was being misappropriated.

The Computer file containing actual collection was used for the purpose of issuing the next bills to the consumers so that no arrears would get reflected in the bills of the consumers. Only the bills of the private consumers were being manipulated.

Although the manipulated statements alongwith reduced cash were deposited with the NDMC cash section on the next day, the statement showing actual collection was used to be deposited at the end of the year with the Rent Section of the NDMC, and the two were never tallied by the concerned sections of the NDMC. This encouraged/enabled the agency to perpetuate the fraud over a long period.

Investigation has so far revealed that by way of the above mentioned modus operandi the owner of the agency had misappropriated a sum of Rs. 6 crores approximately from March 1996 to 27th September, 1996, when the fraud was detected. Starting with lesser amounts, the misappropriation in the later stages appears to be to the tune of approximately Rs. 30 lakhs per month. NDMC has been requested by the CBI to conduct a Special Audit for helping the CBI in ascertaining the full amount misappropriated by way of this fraud.

(c) wnether these provisions of Law have been able to effectively control the crime in these field;

(d) whether Government consider these provisions enough to deal with such type of crimes; and

(e) if not, the measures Government propose to bring forward in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI MOHD. MAQBOOL DAR): (a) Punishments for various social evils like obscenity, rape of minor child, sex-related violence, terrorist activities etc. are provided in the Indian Penal Code.

(b) Details are placed at Statement *(See* below).

(c) to (e) The existing legal provisions appear to be quite strict but even so the Government would not be unresponsive to suggestions for improvement.
